Selecting the best worth to your **2005 Electra Glide Owners Manual** e book is without doubt one of the most important parts of the advertising and marketing process. The first rule of pricing ebooks is to never underprice. Determine the very best value your viewers can afford, and then in the event you discover your guide isn't promoting, you may always cut back the price. Earlier than you take that step, make sure you are promoting your **2005 Electra Glide Owners Manual** guide like loopy on the Web and on websites. The worth needs to be geared toward bringing in income, but you must never forget that worth is without doubt one of the elements that folks use in judging the value of your *2005 Electra Glide Owners Manual* book ? earlier than they buy it. So at all times start with the highest worth, and then launch a mega-advertising campaign.

Pricing an e-book is particularly troublesome as a result of ebooks are a reasonably new commodity.

Since they are digital, the worth of an e-book is as complicated because the understanding of what digital really is to the average layperson. Because of this we should have a look at ebooks in a unique light with a purpose to determine their precise price on this courageous, new cyber world.

Let's take a look at the difference between a e book in print and an ebook. A printed book is an object you'll be able to hold in your hand, store on your bookshelf, even hand down to the subsequent generation. It is priced on elements such as paper inventory, design and production costs, and marketing.

But the fact that unites ebooks and print books is that they're composed of ideas. It's the ideas in these books which have the ability to change, or presumably remodel, folks's lives.

What do you assume an concept is price when evaluated towards the cost of paper and ink?

It is the IDEAS which might be priceless! That's the way you determine the price of your ebook.

What ought to I charge for my ideas?

There are all completely different formulas and strategies for figuring out the right price to your ebook. Let's begin with honing in on your ultimate goals.

Decide if your purpose is to get huge distribution and most exposure. This purpose is geared toward drawing prospects to what you are promoting or service, or to establishing the credibility of your reputation. If that is your predominant objective, it is best to aim to keep your value on the low side. Some authors have even priced their ebooks at a profit loss to attract a excessive number of new customers. The secret's to find a price that maximizes your income and the number of books you sell.

This is an excellent pricing technique if you're seeking to purchase long-time period customers. Lengthy-term prospects are extraordinarily probably to purchase from you again and once more ? so long as the primary e-book they purchase is of distinctive quality and useful to the customer.

However, if your e-book comprises priceless ? and more importantly NEW data, references, or strategies ? then it's best to intention to cost it on the high end.

After you determine your aim, you must work out what your audience's need is on your ebook. For example, does your e-book solve a particular downside? If it does, and solves it in a method that hasn't been written about in one hundred different ebooks, you'll be capable of achieve excessive

gross sales at a high price. If your book solves an issue or answers questions in a new and distinctive method, you need to worth your e book as high as you may go. You will achieve larger income this fashion, however herald fewer customers. Simply be sure the question or problem that your e-book solves is one which is essential and related to the majority of your market audience. If your ideas are usually not widespread knowledge, or you are presenting a model new technique, you will be able to sell books at a high price. Just be prepared for your competitors to undercut you on value as quickly as they hear about your book.

Understand that the above pricing technique is temporary. Finally, you will cease to promote books at this high price. So determine upfront how lengthy you plan to offer your book at this high price, and when that time is up, change your pricing strategy.

If you wish to see massive income over customer draw, goal for an viewers that's looking for easy options to their problems at a low price. If your guide is geared toward solving one specific downside moderately than common advice, then you can cost more. Start on the highest worth the market will bear to bring in the largest income, and plan to discount the e-book a number of instances throughout the year.

## Advertising Strategies

The important thing that unlocks the gross sales potential of your book is to discover a single sentence that becomes your promoting handle. This sentence states what question or drawback your e book solutions and the advantages your ebook can provide. Then make sure you use that sentence in

each piece of sales and promotional material, and each time anyone asks you about your ebook.

Apart from promoting your books assiduously on-line, there are several different strategies that can aid you promote extra books.

One is to offer one thing away without spending a dime along with your e book, similar to a precious bonus item. Or bundle a number of ebooks under one price, which lowers the worth for every e book if they had been offered separately.

An effective approach for determining a worth is to send out a survey to your current customers. If these customers have already bought an book from you, ask for their opinion when it comes to price. Do that by creating a sales page for the new guide, but do not embody a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out prices by creating a number of duplicate sales pages with different prices on every page. Be certain your sales copy is exactly the similar on every page, and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This will let you know what your optimum price is.

Finally, in the event you've written a e-book that solves a problem or presents a brand new approach, your guide will usher in both site visitors and profits. So be sure you write that selling-deal with sentence that sums up what downside your e book solves and what the benefits of your *2005 Electra Glide Owners Manual* guide will probably be to the customers who buy it. And then watch your market come to you!
