Do this by creating a gross sales page for the new ebook, however don't include a worth on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

every web page, and consists of your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum value is.

In the end, when you've written a book that solves a drawback or presents a brand new method, your book will usher in each site visitors and profits.
