to price. Do that by making a gross sales web page for the brand new e-book, however don't embrace a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Make sure your gross sales copy is strictly the same on every web page, and contains your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum worth is.
