Begin on the highest price the market will bear to herald the largest profits, and plan to discount the ebook a variety of times all through the year.

Advertising Methods

Another technique is to check out prices by making a number of duplicate sales pages with totally different prices on each page. Make certain your sales copy is exactly the same on every page, and

includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum price is.
