An effective technique for figuring out a worth is to send out a survey to your present customers. If these prospects have already purchased an e book from you, ask for their opinion in terms of price. Do that by making a gross sales page for the new ebook, however don't include a worth on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with totally different costs on each page. Be certain your gross sales copy is exactly the similar on every page, and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This will tell you what your optimum value is.

Ultimately, if you happen to've written a book that solves a downside or presents a new approach, your book will bring in each site visitors and profits.
