Do that by making a gross sales web page for the brand new book, however don't include a value on that page. As a substitute, add numerous links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by making a number of duplicate sales pages with completely different costs on every page. Make sure that your sales copy is strictly the similar on each web

page, and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum value is.

Finally, when you've written a book that solves a downside or presents a brand new method, your guide will usher in each visitors and profits.
