Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out costs by making a variety of duplicate gross sales pages with completely different costs on each page. Make certain your sales copy is strictly the identical on

each page, and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and gross sales of your book. This can let you know what your optimum value is.

In the end, in case you've written a e-book that solves a downside or presents a new approach, your guide will herald each traffic and profits.
