An effective method for determining a value is to ship out a survey to your present customers. If these clients have already purchased an e-book from you, ask for his or her opinion by way of price.

Do this by creating a sales web page for the brand new e-book, but don't embrace a worth on that page. As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with totally different costs on every page. Be certain your sales copy is strictly the identical on every web page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. This can inform you what your optimum worth is.

Finally, in case you've written a guide that solves a problem or presents a brand new method, your book will bring in both site visitors and profits.
