As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by making a number of duplicate sales pages with different costs on every page. Be certain that your gross sales copy is exactly the similar on each web page,

and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum price is.

Ultimately, if you've written a guide that solves a downside or presents a new method, your e-book will usher in both visitors and profits.
