An effective approach for figuring out a value is to ship out a survey to your present customers. If these prospects have already purchased an e book from you, ask for their opinion by way of price. Do that by making a sales web page for the new e book, but do not embody a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out prices by creating a number of duplicate sales pages with totally different costs on every page. Be sure that your sales copy is strictly the same on each page, and

consists of your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. This can inform you what your optimum value is.

Finally, in case you've written a guide that solves a downside or presents a new approach, your ebook will usher in both site visitors and profits. So you should definitely write that promoting-deal with sentence that sums up what drawback your book solves and what the benefits of your 1308 e-book can be to the customers who buy it.
