An effective method for figuring out a worth is to ship out a survey to your current customers. If these clients have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the brand new book, but don't embrace a worth on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by creating a number of duplicate gross sales pages with completely different costs on each page. Make sure your gross sales copy is precisely the identical

on each page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum worth is.

In the end, in the event you've written a book that solves a drawback or presents a brand new method, your guide will bring in each traffic and profits. So make sure you write that selling-deal with sentence that sums up what problem your e book solves and what the advantages of your 1422 guide will be to the customers who purchase it.
