If you wish to see large profits over buyer draw, aim for an audience that's in search of easy solutions to their issues at a low price. If your ebook is geared toward solving one specific downside reasonably than common advice, then you'll be able to cost more. Begin on the highest price the market will bear to usher in the largest earnings, and plan to discount the e-book a number of times throughout the year.

Do that by creating a sales web page for the brand new e-book, but do not embrace a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with totally different costs on each page. Be sure that your sales copy is strictly the same on each

page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum value is.
