If these customers have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by making a sales page for the new e book, but do not include a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with different prices on each page. Be sure that your gross sales copy is strictly the similar on each

web page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. It will inform you what your optimum worth is.

Ultimately, if you've written a ebook that solves a downside or presents a brand new approach, your ebook will bring in both visitors and profits.
