Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Be certain that your gross sales copy is strictly the same

on each web page, and consists of your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This will let you know what your optimum price is.

Finally, for those who've written a e-book that solves a drawback or presents a new approach, your e-book will herald both traffic and profits.
