Do that by creating a gross sales web page for the new guide, however don't embody a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by making a variety of duplicate gross sales pages with different costs on every page. Make sure your sales copy is strictly the similar on each page, and consists of your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum worth is.

In the end, when you've written a ebook that solves a drawback or presents a brand new approach, your e-book will herald each site visitors and profits.
