Do this by making a sales web page for the new guide, but don't include a worth on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with different costs on every page. Be certain that your sales copy is strictly the similar on each web

page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum worth is.

In the end, if you've written a guide that solves a drawback or presents a brand new approach, your e-book will bring in both site visitors and profits.
