If these prospects have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the brand new guide, but don't embody a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Make sure your gross sales copy is exactly the identical on

each page, and contains your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum price is.

In the end, if you happen to've written a ebook that solves a problem or presents a new approach, your book will bring in both visitors and profits.
