price. Do that by making a gross sales web page for the brand new guide, but do not include a price on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with totally different costs on each page. Make sure that your gross sales copy is exactly the identical on each web page, and contains your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum worth is.

In the end, should you've written a guide that solves a drawback or presents a brand new technique, your e book will usher in both visitors and profits.
