sales and promotional material, and every time anybody asks you about your ebook.

Ensure your gross sales copy is exactly the identical on each web page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum value is.

Finally, in the event you've written a ebook that solves a downside or presents a brand new technique, your ebook will usher in both site visitors and profits.
