Do that by creating a sales web page for the brand new book, but don't embody a value on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with completely different prices on each page. Ensure that your gross sales copy is strictly the

identical on each page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum worth is.

Ultimately, when you've written a e book that solves a drawback or presents a brand new technique, your book will bring in both visitors and profits.
