If these customers have already purchased an book from you, ask for his or her opinion in terms of price. Do that by making a sales page for the brand new e-book, but do not include a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by creating a variety of duplicate sales pages with totally different costs on each page. Be sure that your gross sales copy is exactly the identical on

each page, and consists of your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. This can tell you what your optimum price is.
