Do this by making a gross sales page for the brand new e-book, but do not include a worth on that page. As a substitute, add numerous links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with completely different prices on each page. Make certain your gross sales copy is strictly the similar

on each page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum price is.
