If these clients have already purchased an book from you, ask for his or her opinion in terms of price. Do this by creating a sales web page for the brand new ebook, however don't embody a value on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with completely different prices on every page. Make sure your gross sales copy is strictly the identical on every web page, and consists of your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum worth is.

In the end, in case you've written a ebook that solves a problem or presents a new method, your guide will bring in each site visitors and profits.
