An effective method for figuring out a value is to send out a survey to your current customers. If these customers have already bought an ebook from you, ask for his or her opinion by way of price. Do this by making a gross sales web page for the brand new guide, but do not embrace a value on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with completely different costs on each page. Ensure that your gross sales copy is strictly the identical

on each web page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum price is.

Ultimately, for those who've written a e-book that solves a downside or presents a brand new technique, your e book will bring in each traffic and profits.
