An effective approach for figuring out a worth is to ship out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion by way of price. Do that by creating a sales web page for the new book, but do not include a price on that page. As a substitute, add numerous links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Make certain your gross sales copy is precisely the identical on each page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your site and gross sales of your book. This may inform you what your optimum price is.
