An efficient method for determining a worth is to ship out a survey to your current customers. If these prospects have already purchased an book from you, ask for their opinion in terms of price. Do that by making a sales web page for the brand new guide, but do not include a worth on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with totally different costs on every page. Ensure that your sales copy is strictly the same on every page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum worth is.
