Do this by making a gross sales web page for the new book, however do not embrace a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with completely different costs on every page. Make sure that your gross sales copy is precisely the

identical on each web page, and consists of your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and sales of your book. This will tell you what your optimum worth is.

Finally, if you've written a e-book that solves a drawback or presents a new method, your ebook will herald each visitors and profits.
