Do that by making a sales page for the brand new book, however don't include a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with totally different costs on every page. Be sure your gross sales copy is precisely the similar on

every web page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum value is.

Finally, in the event you've written a book that solves a downside or presents a new method, your e book will bring in each traffic and profits.
