Do that by making a gross sales page for the brand new guide, but do not embrace a value on that page. As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with completely different prices on every page. Make certain your sales copy is precisely the same on

each web page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum price is.

Ultimately, if you've written a e-book that solves a problem or presents a new approach, your e-book will bring in each site visitors and profits.
