An effective technique for figuring out a worth is to send out a survey to your present customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do this by making a sales page for the brand new e book, but do not include a worth on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out prices by creating a variety of duplicate sales pages with different prices on every page. Ensure your gross sales copy is strictly the same on every page, and

contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum value is.

In the end, when you've written a book that solves a downside or presents a new method, your e-book will bring in both site visitors and profits.
