Another strategy is to check out costs by making a variety of duplicate gross sales pages with totally different prices on each page. Make certain your gross sales copy is strictly the similar on

every web page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum worth is.

Finally, in the event you've written a e book that solves a problem or presents a new method, your ebook will herald both site visitors and profits.
