Do this by making a gross sales web page for the brand new ebook, but do not include a price on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out costs by making a variety of duplicate sales pages with totally different costs on every page. Ensure your sales copy is strictly the same on every page, and contains your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This can let you know what your optimum price is.
