that by creating a gross sales page for the new e-book, but do not include a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with totally different costs on each page. Be certain your sales copy is precisely the identical on each page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. This may let you know what your optimum worth is.

In the end, if you've written a guide that solves a problem or presents a brand new approach, your e book will herald each site visitors and profits.
