Instead, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by creating a variety of duplicate sales pages with totally different prices on each page. Be sure that your gross sales copy is strictly the similar on every web page, and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum value is.

Finally, in case you've written a guide that solves a problem or presents a brand new method, your book will herald both visitors and profits.
