and promotional materials, and every time anyone asks you about your ebook.

Do that by creating a gross sales web page for the brand new guide, however don't include a price on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with totally different prices on every page. Be certain your sales copy is strictly the same on each page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum worth is.

Finally, for those who've written a guide that solves a problem or presents a brand new method, your ebook will herald each site visitors and profits. So make sure to write that promoting-handle sentence that sums up what downside your book solves and what the benefits of your 306 e book can be to the purchasers who purchase it.
