An effective technique for determining a worth is to send out a survey to your present customers. If these prospects have already bought an e book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the new e-book, but do not embody a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with different costs on each page. Ensure your sales copy is precisely the same on each web page, and consists of your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum value is.
