Do this by creating a sales web page for the brand new ebook, but do not embody a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with different prices on each page. Ensure your sales copy is exactly the similar on every page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum value is.

In the end, when you've written a e book that solves a drawback or presents a brand new technique, your e-book will bring in each visitors and profits.
