If these customers have already bought an book from you, ask for his or her opinion in terms of price. Do this by making a gross sales page for the new guide, however don't include a value on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with completely different costs on each page. Be sure that your gross sales copy is strictly the

identical on each web page, and includes your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum value is.

Ultimately, if you happen to've written a ebook that solves a problem or presents a brand new method, your ebook will bring in both traffic and profits. So remember to write that promoting-deal with sentence that sums up what problem your book solves and what the advantages of your 374 e-book will probably be to the shoppers who buy it.
