Do this by creating a gross sales web page for the new e-book, however don't embrace a worth on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with totally different prices on every page. Make certain your sales copy is precisely the identical on

every web page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum worth is.

Finally, if you've written a book that solves a downside or presents a new technique, your guide will herald both site visitors and profits. So be sure you write that selling-handle sentence that sums up what downside your guide solves and what the advantages of your 406 ebook can be to the purchasers who purchase it.
