The important thing that unlocks the sales potential of your e-book is to find a single sentence that becomes your selling handle. This sentence states what question or problem your e-book answers and the advantages your book can provide. Then remember to use that sentence in every piece of sales

and promotional materials, and each time anyone asks you about your ebook.

An efficient method for determining a worth is to send out a survey to your current customers. If these clients have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by making a sales page for the brand new e book, but do not embody a value on that page. As a substitute, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by making a variety of duplicate sales pages with totally different costs on every page. Ensure your gross sales copy is strictly the identical on every web page, and includes your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum value is.

In the end, if you happen to've written a ebook that solves a downside or presents a new technique, your e-book will herald both site visitors and profits.
