Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with completely different prices on every page. Be certain that your gross sales copy is precisely the same on every page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum worth is.

Finally, in case you've written a e book that solves a downside or presents a brand new technique,
