As a substitute, add plenty of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with totally different costs on every page. Make certain your gross sales copy is exactly the identical

on every page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum value is.

In the end, should you've written a e book that solves a problem or presents a new technique, your book will usher in each traffic and profits.
