Do this by creating a gross sales web page for the brand new e book, but don't embody a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out prices by making a number of duplicate sales pages with totally different costs on each page. Ensure that your sales copy is exactly the same on every page, and

contains your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum worth is.
