An efficient technique for determining a worth is to ship out a survey to your present customers. If these customers have already bought an book from you, ask for his or her opinion by way of price. Do that by making a sales web page for the brand new e-book, but don't embody a price on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with completely different prices on every page. Make certain your gross sales copy is strictly the

identical on every page, and consists of your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum value is.

Ultimately, if you've written a e book that solves a drawback or presents a brand new approach, your book will bring in both traffic and profits. So make sure you write that promoting-handle sentence that sums up what downside your e book solves and what the advantages of your 802 ebook will be to the purchasers who buy it.
