Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with totally different prices on every page. Be certain your sales copy is exactly the same on each web

page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum price is.

Ultimately, for those who've written a guide that solves a downside or presents a brand new method, your ebook will herald both visitors and profits.
