Do that by creating a sales web page for the new guide, however don't include a price on that page. Instead, add various links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with completely different costs on each page. Ensure that your sales copy is strictly the similar on each

page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. It will inform you what your optimum value is.

In the end, in case you've written a e-book that solves a drawback or presents a new technique, your guide will usher in each traffic and profits.
