But the fact that unites ebooks and print books is that they're composed of ideas. It's the ideas in these books which have the ability to vary, or possibly transform, people's lives.

What do you think an thought is value when evaluated in opposition to the price of paper and ink?

It's the IDEAS which are beneficial! That's the way you decide the price of your ebook.

What should I cost for my ideas?

similar on each web page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum worth is.
