alternative, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with completely different prices on every page. Be certain your gross sales copy is exactly the identical on every page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum price is.

Ultimately, when you've written a book that solves a problem or presents a brand new approach, your guide will bring in each traffic and profits.
