An efficient technique for figuring out a value is to send out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the brand new ebook, but don't include a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with totally different prices on each page. Ensure that your gross sales copy is strictly the same on each web page, and contains your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. This can inform you what your optimum value is.
